# What Our Patients Are Saying

***“The WellFund has been a tremendous blessing to me. I took an early retirement couldn’t afford to pay health insurance premiums. I was not aware that such a fund even existed, and I’m so very thankful that The WellFund reached out to me, so that I could receive the healthcare coverage that I needed. Great program!!!”***

– Angelia B.

***“I am very appreciative of my agent and her assistance in helping me with my health insurance. The process was quick and easy. It is nice to have someone easily attainable for any questions. Thank you The WellFund you are much appreciated!”***

– Debra M.

– Lori P.

***“I would not be able to afford medical coverage if it not for The WellFund support. Amazing program.”***

– Mary Ann M.

***“I love working with The WellFund Patient Advocates. They are so polite & personable.”***

– Tamera S.

***“Insurance premiums are way too high. Employers often don’t pay you enough to cover the cost of a monthly health insurance premium, so sometimes it’s really hard to pay for health insurance. you shouldn’t have to decide between paying a premium and buying groceries. The WellFund has helped me be able to have health insurance by helping me cover the cost of my premium.”***

– Wendy W.

***“Our Patient Advocate was very trustworthy and very helpful in getting everything done and summited for us. With all the help we don’t have to worry about seeing a doctor for our health issues. I truly appreciate all of it! Thank you.”***

– Sharmon R.

***“The WellFund Patient Advocate was awesome walked me through every step. Never made it seem like a question was stupid. Explaining things over again if need be. Made me very comfortable.”***
